Serves

INGREDIENTS

200 g good quality dark, milk or white chocolate
2 punnets strawberries

METHOD

1. Line a baking tray with baking paper and set aside.
2. Temper the chocolate by placing it into a saucepan over low heat, induction setting 2-3. Stir continuously until you have 50% solids and 50% liquid. Then, transfer the semi-melted chocolate into a heat-proof plastic bowl and stir vigorously until the solids have completely melted.
3. Dip each strawberry into the melted chocolate and place on the baking tray to set.
4. Once the chocolate has set, serve immediately.

Hints and tips

- Leftover strawberries can be stored in the fridge for 24 hours.
