## INGREDIENTS

7 g (2 tsp) dried yeast  
80 ml (1/3 cup) light olive oil  
650 ml warm water (37°C)  
1 kg Baker's flour (high protein flour),  
plus extra for dusting  
75 g (¾ cup) full fat milk powder  
1 tbsp caster sugar  
1 tbsp fine sea salt  
1 egg  
Black sesame seeds, poppy seeds  
and nigella seeds, to decorate

## METHOD

1. Combine the yeast, oil and water in a small bowl and mix well. Set aside.
2. Place the flour, milk powder, caster sugar and salt in the bowl of a freestanding mixer with a dough hook attachment and mix on low speed until combined.
3. Pour the yeast mixture into the bowl of the freestanding mixer and continue to mix for 1 minute.
4. Increase the speed to medium and knead for 8 minutes, or until the dough is smooth and elastic.
5. Place the dough into a large lightly greased metal bowl. Place into the oven on Prove yeast dough and prove for 30 minutes.
6. Wet your hands and fold the dough from the bottom to the top, turning the bowl every time, until you have folded it 6 times. Pull the smooth side of the dough so that it sits at the top.
7. Return the dough to the oven and prove for an additional 30 minutes.
8. Remove the bowl from the oven and sprinkle the workbench with flour.
9. Turn the dough onto the workbench and gently shape the dough into a 40 cm x 30 cm rectangle.
10. Dust the top with flour, cover with a tea towel and rest for 10 minutes.
11. Divide the dough evenly into 10 rectangles.
12. Lightly flour two baking trays and lift the dough gently onto the trays.
13. Whisk the egg with an equal quantity of water and brush lightly over the dough, sprinkle with the seeds and rest for 10 minutes.
14. Select Moisture Plus with Fan Plus at 190°C, releasing a burst of steam immediately.
15. Bake on shelf levels 2 and 4 for 20 minutes, or until the bread is cooked and golden.
16. Remove from the oven and allow to cool on wire racks before serving.

## Hints and tips

- For enhanced lightness and texture of the bread you can repeat steps 6 and 7 twice more.
- The dough recipe can be made in advance and frozen. Freeze the breads after the final proving stage, then bake as needed.
- This bread can be revitalised in a combi steam oven using Mix & Match + Crispy reheat + Select your preferred level of browning, or in the oven on Moisture Plus with Fan Plus at 200°C, bake for 10 minutes, releasing 1 automatic burst of steam.
