METHOD

Milanese

1. Using a rolling pin or meat mallet, flatten the cutlets until 5 mm thick.
2. In a large bowl, combine the breadcrumbs, parmesan, herbs, and garlic, season to taste.
3. Beat the eggs in separate bowl until combined, season to taste.
4. Place the flour in another bowl to create a crumbing station, season to taste.
5. Working with one piece at a time, coat in the flour, dip in the egg, allowing any excess to dip off, and then coat into breadcrumbs. Set aside and repeat with remaining cutlets.
6. Preheat a gourmet oven dish or large frying pan on medium-high, induction setting 7, for 4 minutes.
7. Place the olive oil and butter in the dish and allow to melt and bubble slightly. Add the veal and cook for 3 minutes each side, or until crisp and golden. Alternatively, the Milanese can be cooked on TempControl level 2.
8. Place on paper towel to remove excess oil.

Charred lettuce

1. Preheat the gourmet oven dish on medium-high heat, induction setting 7, for 5 minutes.
2. Lightly brush the flat surface of the lettuce with a little olive oil and season with salt and pepper.
3. Place flat side down in the oven dish and leave (do not touch) for 3-4 minutes.

Anchovy vinaigrette

1. Place all ingredients except the shallot and oil into a mortar and pestle and crush until a creamy mixture has been created.
2. Transfer the anchovy mixture to a bowl and add the shallot, combine well.
3. Using a whisk, slowly pour in the olive oil, while whisking until the vinaigrette thickens. Season with salt and pepper to taste.

To serve

1. Serve the Milanese with the charred lettuce, vinaigrette and lemon wedges. Sprinkle a little flaked salt over the Milanese.
